GED P. ELIZARIO

PROFILE

As a BSIS student from West Visayas State University, I am passionate about IT, committed to success, and eager to collaborate. I aim to be an engaged OJT trainee who adapts to technological changes and applies knowledge to real-world challenges.

PROJECT EXPERIENCES

Thesis

Full-stack Developer

- Implemented features like user role management, progress tracking, and automated document routing to improve operational efficiency.
- Utilized database technologies such as PHP MySQL

Business Application Development

- Created a mobile app using Flutter that lets users log in securely and access real-time data with the help of Firebase database.
- Designed the front-end of an e-commerce website to be responsive and easy to navigate, ensuring a smooth browsing experience for users.
