MS. LEILYN D. ABELLAR

385 Bonifacio St., Arevalo

Iloilo City, Iloilo

Philippine Science High School Western Visayas Campus

Dear **Ms. Abellar**:

Congratulations for qualifying to the **2021 DOST-SEI S&T Undergraduate Scholarships** under **RA 7687** program. It is noted, however, that among the requirements you submitted to DOST, you lack the following:

1. BirthCert

Awarding of the scholarship to you shall be pending submission of the said requirement/s and validation of the information therein. In this regard, you are advised to comply your lacking document/s by uploading it through this link: <https://tinyurl.com/2021WithLackingDocuments>

To be able to enjoy the scholarship, you must pursue a Bachelor of Science (BS) degree in any of the priority Science and Technology (S&T) program of study at the University of the Philippines, any state university or college (SUC), or any private higher education institution that is recognized by CHED as Center of Excellence or Center of Development or has FAAP Level III accreditation for the priority S&T program that you intend to enroll in. For the complete list of priority S&T degree programs and accredited institutions, please visit <https://tinyurl.com/huyzk8jn>

There will be a Virtual Orientation on S&T Scholarship Policies and Procedures to be held via Zoom which you must attend together with your parent/legal guardian. Be prompt on the time indicated so you will not miss any of the terms and conditions of the scholarship program. Kindly take note of the following details regarding this activity:

Date	:	September 23, 2021
Time	:	1:00 PM
Registration Link	:	To be emailed

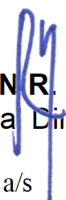

In the meantime, please fill-out the enclosed Reply Slip and submit it to DOST Regional Office through this link <https://tinyurl.com/2021WithLackingDocuments> on or before September 17, 2021. Submission of the accomplished Reply Slip is required whether you are availing of the scholarship or not.

Should you decide to avail of the scholarship, please refer to the Undergraduate Qualifier's Guide for the Region which contains important information and instructions on the next steps that you will undertake relative to your scholarship. Please take time to familiarize yourself with this Guide and this will be further discussed during the virtual orientation.

For further inquiries, you may call the DOST Regional Office VI at (033) 330-1565 loc. 107.

We are looking forward to meet you and your parent/guardian.

Very truly yours,

ROWEN R. GELONGA, ChE, CESO II
Regional Director
