Arevalo, Iloilo City, 5000, Philippines | 09770661523 | tabunlupa.lovelynneheart@gmail.com

SUMMARY

An BS Information Systems graduate specializing in Business Analytics at West Visayas State University-Main Campus. Detail-oriented, adaptable, and equipped with a solid foundation in data analysis, system development, and process improvement. Proficient in tools such as Excel, RStudio, Power BI, and programming languages like PHP, MySQL, CSS, and JavaScript. Gained hands-on experience through academic and internship projects focused on automating workflows, managing records, and visualizing data to support effective decision-making. Eager to contribute analytical thinking, technical skills, and a people-centered approach to organizational growth and operational efficiency.

EXPERIENCE

January 2025 - May 2025	Web Development Intern, Data Assessment and System Management Office, Iloilo City Hall Served as the full-stack developer and database designer for an employee monitoring and tasking system. Led the team in planning and coordination, ensuring clear task distribution and timeline alignment. Designed the database schema, developed backend logic using PHP and MySQL, and built a user-friendly frontend. Also contributed to wireframing, feature planning, and system integration, including module merging and debugging for optimal performance.
Jul 2024 - June 2025	Board Member for Information Management, WVSU - CICT Axis Organization Responsible for disseminating information and ensuring effective communication to support organizational goals.
Nov 2023 - June 2025	Commissioner, WVSU - CICT Student Electoral Committee Tasked with coordinating, overseeing, and maintaining the integrity of student elections, ensuring compliance with electoral policies, and fostering democratic values.
Dec 2022 - June 2025	Cooperative Scholar, Barbaza Multi-Purpose Cooperative Responsible for organizing and filing documents, processing account withdrawals, performing data entry of membership records, and assisting customers through call queries and walk-ins, all following the contractual agreement, ensuring accuracy and efficiency.
